Honorable Maurice H. Stans Mirector, Eureau of the Budget Washington 25, D. C.

Door Mr. Stens:

I am returning the draft latter addressed to the Chairman of the House Appropriations Committee concerning the CIA budget for 1960. We have no question concerning the letter itself, but would propose the following tabulation in lieu of the tabulation included in your letter:

Appropriation

Unobligated belance brought forward

Recovery of prior obligations

Advances and reinbursement

Total obligational availability:

Total program, net

Contingency recerve

Total obligational availability

Total obligational availability

This is based upon more recent developments and agrees with the material which we are preparing for submission to the Committee.

We will be glad to furnish you a copy of our House notes when they are complete.

Sincerely.
